

D.Law recruits Fund experts for its asset management practice - Do you want to join our international law firm?

Senior Associate in Asset Management & Fund Practice (m/f) - Job based in Luxembourg

D.Law is part of Deloitte Legal network of more than 1,500 lawyers in 70 countries. We advise a wide range of large clients in the financial and corporate sectors including multinational corporations, private equity/real estate houses, financial institutions and investment funds. D. Law currently employs 30 lawyers and specializes in corporate and financial law, regulatory, investment funds, litigations and employment law.

Our priority is to cultivate team spirit within an international and multicultural environment, allowing all members to build personal fulfillment and a satisfying career. **Your success is our success!**

D.Law is looking for a senior associate to run the fund team on a daily basis and be an active part in the development of our Fund practice.

As a member of our investment team, you:

will strengthen a team within which you will advise mainly on investment funds and fund service providers, notably private equity funds. More specifically you will:

- Take part in meetings and/or conference calls with clients with a view to discussing their projects; you will follow-up on client requests and draft opinions and documents under the supervision of the partner in charge;
- Advise on the establishment of investment funds under the various regulatory and corporate forms provided for by Luxembourg law;
- Draft fund documentation such as placement memoranda, constitutional documents, agreements with service providers (depository, fund administrator, AIFM), and in the preparation of filings with the CSSF, as needed;
- Advise on day-to-day legal, operational and administration issues relating to funds;
- Provide opinions on any asset management regulatory issue;
- Assist in guiding and training junior lawyers within the team and more generally, you will be involved in organizing work and facilitating the sharing of knowledge
- Be required to manage your files with increasing autonomy.

What we are looking for?

To be the right fit for this position, you have to:

- Hold a Master degree in Law, a double degree in Finance/Economics will be considered a plus
- Have 5-7 years' experience in Investment Funds, particularly in alternative strategies (Private Equity, Real Estate, Debt, Infrastructure) ideally gained within a large local law firm. Any experience in UCITS would be considered as an asset.
- Excellent knowledge of Luxembourg Investment Fund structures (limited partnership vehicles, SIFs, RAIFs) and understanding of the Alternative Investment Fund Managers Directive. Be able to work autonomously as well as part of a team
- Show excellent analytical, problem-solving skills and a client-oriented mind-set
- Have strong interpersonal, communication and presentation skills (oral and written)
- Be fluent in French and English, German would be considered as an asset
- Dynamism, team spirit and communication skills are required qualities to progress in a stimulating environment.

What we offer:

- A flexible work environment with a national and international exposure
- Contacts with clients locally and all around the world
- A close working relationship with the partners in office
- The benefit of a cross-border network of more than 1,500 lawyers in 70 countries
- An individualized career plan with tailor-made training courses, depending upon individual needs and collective requirements
